Headteachers Update

We have come to the last week of the half term, it has been a short half term, but the children have worked hard and the progress they have made can be seen in their books.

This week Nursery, Reception and Year 1 have enjoyed their Perform Workshops, I am sure your children have told you all about it.

On Monday I met with a few parents who came to the Parent Forum to discuss helping with fundraising in the school next academic year, if this is something you would be interested in please let me know. Please see the Safeguarding section below so that you can talk to your children about staying safe over half term.

Wishing you a lovely half term break and we look forward to seeing the children back in school on Monday 2nd June.

Parent Survey

Thank you to all those who completed our Parent Survey it is much appreciated. We will be analysing the results and communicating them to you soon. As usual if you have any feedback at other times in the year, please email the school office or speak to one of the Leadership Team on the gate before or after school.

Our School Values

The school values are for all of our community and should be demonstrated by all.

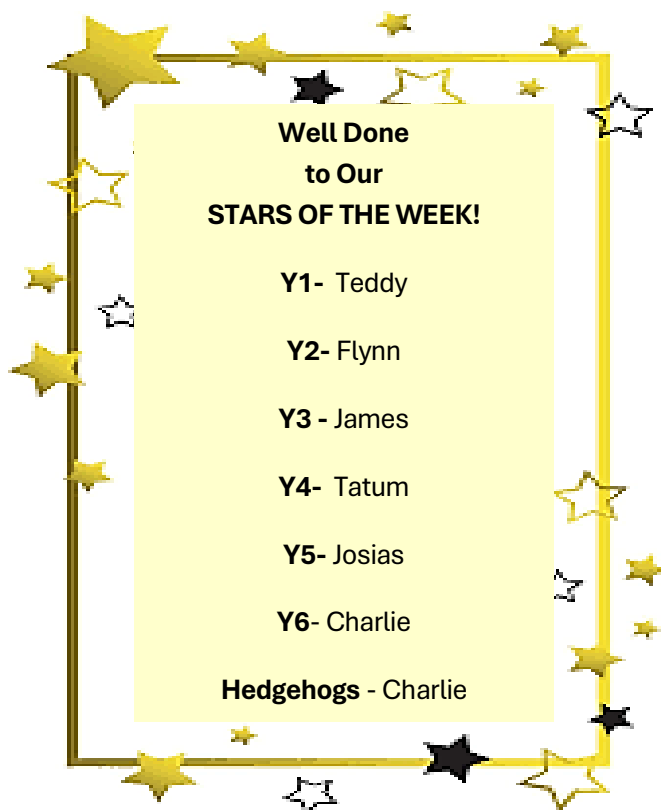

Respect
Caring
Self-discipline

Safeguarding

In assembly this week I have talked to the children about staying safe at half term. We talked about road safety, online safety, water safety and not talking to strangers. We also talked about behaviour in public places. I have had complaints about some behaviour exhibited by our pupils after school in the park. Please remind your children about being sensible and safe when they are in the park, especially if they are not being supervised by a parent. For any safeguarding concerns over the holidays please email dsl@bletchingleytlit.co.uk

Attendance and Punctuality

Good attendance is vital for the future life chances of children. Punctuality is also important, children often worry if they are late for school and have to walk into the classroom once a lesson has started. Lateness also means that children are missing out on learning and contributes to their absence percentage.

Congratulations to these children who have been role modelling our school values this week and received a values leaf!

There may be some circumstances where dates must change, if this is the case we will endeavour to let you know as far in advance as possible.

School Dinners are on Arbor

- You need to select meal choices two weeks in advance. We cannot amend food choices after the cut off as food is preordered based on your selections. If you haven't yet done this, can you please do this going forward. We cannot do this for parents.
- For any choices that have not been made via Arbor and a packed lunch is not provided, your child will get the main meal option.
