### Sports Premium Statement September 2024

The Sports Premium is an amount of funding given by the Government in the wake of London 2012. It must be spent on **sustainable improvements** in levels of physical activity and sporting achievement.

The impact is being monitored by the local Board of Governors through annual monitoring visits.

Governors track and monitor the spending of the premium and its impact through their representation on the working party and through strategic visits to school.

In **2023 – 2024**, the school was allocated approximately £17 800. This is based on a per-school amount, topped up with a small per-pupil amount.

The funding was deployed as follows:
