

FOBS

A BIG thank you

to all parents, carers, teachers and friends for your commitment in supporting the FOBS team of 2021-2025. It has been a fun and exhausting journey of events that have brought our community together and raised the funds for essential resources, equipment and improvements to create a better environment for the children to learn and grow.

Your support has been instrumental in shaping brighter futures for our children in a community dedicated to creating positive change.

We could not have done it without you!

It has been a privilege and honour for all of us to serve our school community and hope the same for the new FOBS team.

Keep a look out for all the improvements coming in September!
