

## FOBS Conflict of Interest Policy

### Introduction

This policy outlines the principles for identifying and managing conflicts of interest within **Friends of Bletchingley Village Primary School (FOBS)**. It applies to all individuals involved in the association and is formally approved by the committee. The policy will be reviewed annually to ensure it remains fit for purpose and continues to meet the needs of our organisation and its volunteers.

As committee members and trustees, we acknowledge our responsibility to act in the best interests of FOBS. We recognise that personal or external interests can undermine this duty, and it is our commitment to avoid such situations in order to uphold the integrity of our decisions.

### Scope

This policy applies to every elected member of the FOBS committee.

### Procedures for identifying and managing conflicts

To ensure transparency and accountability, we take the following steps:

- **Awareness:** All incoming committee members are informed about this policy upon their appointment
- **Declarations:** Members must declare any existing or potential conflict of interest:
  - At the time of their appointment
  - At the start of each committee meeting
  - As soon as a potential conflict becomes known
- **Recusal:** Members who have a conflict are required to withdraw from discussions and/or votes related to that matter
- **Documentation:** All conflicts and the actions taken to manage them will be recorded in the meeting minutes
- **Balanced representation:** Efforts will be made to include a diverse mix of parents and staff from across the school, ensuring balanced representation and avoiding dominance by any single group
- **Equitable decision-making:** When decisions may disproportionately benefit a particular year group, subject or area, we will actively consult with our membership and ensure fair distribution of benefits across the school over time

### Policy review

This policy will be reviewed annually by the FOBS committee to ensure its continued relevance and effectiveness.

### Policy Approval

Approved and adopted by the committee of FOBS in November 2025.

Next review in November 2026.
