

For **Surrey school admission appeals**, the key timetable is usually split by **secondary** and **primary** admissions:

Phase	National offer day	Appeal deadline	Appeals heard by
Secondary schools	2 March 2026	13 April 2026	16 June 2026
Primary schools	16 April 2026	15 May 2026	17 July 2026

Other useful points:

- Appeals lodged by the deadline are heard within the published timetable.
- Late appeals are normally heard within **40 school days** of the deadline or **30 school days** of being lodged, whichever is later.
- In-year admission appeals are normally heard within **30 school days** of being lodged.
- Parents/carers should receive at least **10 clear school days' notice** of the appeal hearing.

You can usually check the latest Surrey guidance on the **Surrey County Council school admission appeals** page.
